

IPFA

# Connecting and empowering the world of infrastructure and project financing

Your guide to IPFA 2021

# Our Promise

Whilst the world has changed, IPFA will continue to be your go-to association that **connects, influences, progresses and represents** our 650+ corporate members worldwide.

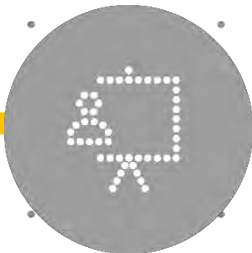

We are committed to:

- Representing and promoting our members and the industry
- Delivering global thought leadership on the latest issues
- Providing business and networking opportunities in this new digital age
- Supporting our members and providing the collective voice for the industry

We are working hard to provide you with a wider variety of online services so that we can continue to represent the collective voice of our members and move the industry forward together.

Take a look at what we have coming up in this guide.

# What You Have Access To

## Live Webinars

Over 100 live webinars discussing the latest regional and global trends with leading figures in industry.

## Future Leaders Network

An inclusive and vibrant platform for our early-mid career members. Keep up to date, build your professional profile, connect with your peers, access online training, and be empowered through our FLN.

## Executive Roundtables

Series of closed-door, senior level roundtables that facilitate exclusive discussions between the public and private sectors.

## Knowledge Hub

A central point of information. Access a comprehensive library of key interviews, industry presentations, thought pieces, articles and webinar recordings.

## Training Courses

Using leading industry practitioners, our educational programmes provide essential and practical training, whilst providing opportunities to network with fellow trainees. A must for all new entrants into the market.

## Networking & Building Connections

Join our online networking discussions to connect with peers virtually and share views on the latest developments.

## Facilitated Introductions

Have a connection in mind you would like to make? We facilitate introductions between members - get in touch to find out more.

## In Person Courses

Our popular, in-person training courses range from a one day Introduction in Project Finance, to a three day Understanding International Project Finance & PPPs.

Unfortunately, due to the pandemic we have had to pause these courses. However, we are in the process of developing an online blended course, launching in early 2021 so stay tuned for announcements.

# Your Membership

IPFA membership gives you unlimited access to our online services. Reach out to our team to discuss your membership in your region.

We are now asking Members to renew their Membership for 2021. To avoid missing out on any of our activities when we kick off in the New Year, please confirm renewal of your membership by 31 January 2021.
