

# IPFA Member List **2023**

We are funded and guided by our members, which include the industry's leading investors, lenders, advisors, developers, sponsors and government institutions active in infrastructure and energy markets around the world.

For 25 years IPFA has provided the infrastructure and energy industry with a home for thought leadership, networking and professional development.

We have earned a reputation for being committed to connecting, empowering and representing our members and key constituencies with the aim of contributing to driving continuous progress for the benefit of the industry in every sector and region.

“ IPFA is more than a network. Its unique power comes from the connections it can create and how these can be leveraged.
