

# Future Leaders Network (FLN)

A dynamic community for the next generation, empowering you to shape your future.

FLN is a dedicated platform for early to mid-career professionals committed to progressing their careers, reaching their full potential and taking responsibility for shaping the future of the infrastructure and energy financing industry.

Steered by nine dedicated FLN Committees, our FLN offers a range of in-person and virtual activities where you can learn and develop new skills, whilst connecting with peers and growing your network. We also offer access to educational on-demand content via our Knowledge Hub.

Get involved in FLN!

- Register for activities at [ipfa.org/future-leaders](https://ipfa.org/future-leaders)
- Subscribe to IPFA mailings
- Become an 'FLN Rep' for your organisation
- Access on-demand content at [ipfa.org/knowledge-hub](https://ipfa.org/knowledge-hub)

# FLN Activities

## Global webinars, workshops & online networking

Live and interactive virtual sessions providing opportunities to learn and build on skills, whilst connecting with peers through educational industry updates, workshops, and networking clubs.

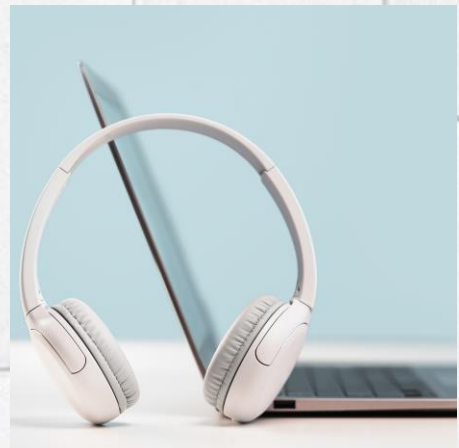

## Regional FLN events & site visits

Exclusive insights on the key market developments in your local region. We also arrange site visits, social receptions and soft-skills focused sessions offering opportunities to build on skills and develop your professional profile.

## Podcast

'A Future Leaders' Guide to...' podcast invites industry leaders from all walks of life to share their best tips and practical advice to help the next generation make informed career choices, shaping their future.

## On-demand content

Our Knowledge Hub offers an extensive content library offering exclusive access to expert advice and industry trends through bite-sized content.
