Your home for thought leadership. Stream on-demand.

Full

Local

Solo

Interviews, podcasts, reports, case studies, on-demand webinars, and more.

Share your thought leadership content with our 600+ member community now.

- New content added weekly
- 2024 spotlights include: Energy Transition ; Net Zero Transport; Digital Infrastructure; Financial Modelling; Diversity & Inclusion

The IPFA logo consists of the letters 'IPFA' in a bold, black, sans-serif font, enclosed within a white circle. The circle is part of a larger graphic element that resembles a stylized cloud or a network node.

IPFA

# Networks & Special Interest Groups

A stylized world map composed of yellow dots, with a yellow circle labeled 'Full' positioned over the North America region.

Full

IPFA Networks are focused on knowledge sharing, networking for our Full member community and content for all of our members.

A photograph of wind turbines in a field, with a large, stylized green arrow pointing to the right overlaid on the image.

We have created Networks to add value to our membership through connecting subject matter experts and collaborating in a unique, global environment

A photograph of three people sitting around a table in a meeting, looking at documents and laptops.

Networks will engage experts and keep a pulse on markets discussing new developments and best practice globally via virtual group meetings.

A photograph of hands holding and interlocking several golden gears.

Networks will produce reports and research via associated Special Interest Groups to be publicised both inside and outside of the IPFA community, with the purpose of sharing thought leadership from key leaders in our industry to drive the conversation.

## Markets

Our Networks will cover:

- 
- A photograph showing a pile of dark coal in the foreground and solar panels in the background.
- The Energy Transition ([sign up now](#))
  - Network Environmental, Social, and Governance (ESG)
  - Public-Private Partnerships (PPP/P3)
  - Emerging Markets

You must be a Full member to access Networks and participate in Special Interest Groups.
