Networks & Special Interest Groups

Full

IPFA Networks are focused on knowledge sharing, networking for our Full member community and content for all of our members.

We have created Networks to add value to our membership through connecting subject matter experts and collaborating in a unique, global environment

Networks will engage experts and keep a pulse on markets discussing new developments and best practice globally via virtual group meetings.

Networks will produce reports and research via associated Special Interest Groups to be publicised both inside and outside of the IPFA community, with the purpose of sharing thought leadership from key leaders in our industry to drive the conversation.

Markets

Our Networks will cover:

- The Energy Transition ([sign up now](#))
- Network Environmental, Social, and Governance (ESG)
- Public-Private Partnerships (PPP/P3)
- Emerging Markets

You must be a Full or Honorary member to access Networks and participate in Special Interest Groups.

The IPFA logo consists of the letters 'IPFA' in a bold, sans-serif font, enclosed within a white, rounded, cloud-like shape. The background of the entire slide is a high-angle, black and white photograph of a complex steel structure, likely a bridge or a large industrial building, with numerous beams and girders creating a dense, geometric pattern.
