

IPFA

Connecting and empowering the world of infrastructure and energy

What's coming up in 2025

2025 Themes

Our programming and resources will cover the breadth and depth of infrastructure investment, with a leading focus on the **energy transition.**

- Green & sustainable infrastructure
- Emerging technologies (carbon capture, hydrogen)
- Energy system challenges
- Nuclear energy & SMRs
- Transport electrification & mobility solutions
- The evolving impact of policy & regulation
- Digitalisation & connectivity
- The role of AI in the infrastructure & energy sector

Europe Events

50+ events scheduled for 2025

CONT. EUROPE, TURKEY & NORDICS

- 13 May Warsaw | Project and Green Bonds in Energy Transition
- 13 May Brussels | Grid Flexibility in Belgium: Meeting the Challenges of a Renewable Future
- 20 May Milan | Investing in and Financing Italian BESS Projects
- 12 Jun Hamburg | Beyond PPP? Financing Germany's Infrastructure Future

Topics in development: District Heating, Data Centres, Battery Storage, CCS, Rail Infra

UK & IRELAND

- 13 May London | Executive Breakfast Roundtable with Akshay Kaul, Director General Ofgem
 - 3 Jun | She is Sustainable: Financing the Future with Inclusion
 - 12 June London | Annual Charity Quiz
 - 10 Sep London | Energy Transition
 - 17 Sep Dublin | Battery Storage
- Themes in development: Carbon Capture, Decarbonisation, EV Storage, Social infrastructure

CONT. EUROPE Future Leaders Network

- 22 May Amsterdam | Navigating Grid Congestion Challenges

Future Leaders

UK & Ireland Future Leaders Network

London:

- 18 Jun | Annual Future Leaders Fun Run
- 7 Oct | Topic TBA shortly - Save the date!
- 26 Nov | District Heating/EOY Drinks Reception

Dublin:

- 17 Jun | Shaping the Future: IPFA Future Leaders Network Launch, Ireland
- 19 Nov | Topic TBA shortly - Save the date!

Available to Full, Public, Local and Solo members

The Energy Transition Network & Special Interest Groups

Available to Full, Public & Solo members

- Collaborative platform to connect and engage with our global community.
- Opportunities to suggest and initiate, as well as lead a Special Interest Group.

Bringing together our international community on shared areas of interest, offering ongoing discussion and collaboration with documented outcomes.

Keep a pulse on the energy market, discussing new developments and best practice globally.

The Network produces reports and research via associated Special Interest Groups, with the purpose of sharing thought leadership from key leaders in our industry to drive the conversation.

Bi-monthly virtual group meetings, covering topics such as Hydrogen, Battery Market Attractiveness, and Financing the Energy Transition.

LIVE MEETING

4 Feb - Shaping Common Sense for Energy Transitions

Learning & Development

Practical training, development and networking for different stages of your career, delivered by practitioners for practitioners.

IPFA Learning offers a wide selection of training courses to members and non-members, available worldwide.

- Discounted member rates
- Browse upcoming course dates at ipfa.org/learning
- Request a quote for your team's L&D needs or in-house training at learning@ipfa.org
- Recognised CPD accreditation

In-house Training

Asset Management for Project Finance

Masterclass in Infrastructure Investment & Finance

Implementing Sustainability for Infra & Energy Practitioners

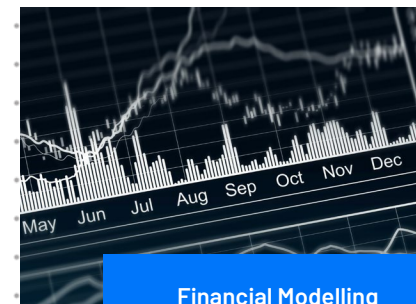

Project Finance Advanced

Project Finance Fundamentals

Understanding Project Finance, PPPs & Private Financing

Financial Modelling

The IPFA logo consists of the letters 'IPFA' in a bold, sans-serif font, centered within a white graphic that resembles two overlapping circles or a stylized cloud. The background of the entire slide is a high-angle, black and white photograph of a complex steel structural framework, likely for a bridge or a large industrial building, with various beams and supports creating a dense geometric pattern.
