# Future Leaders Committees

Our Committees are the driving force behind the Future Leaders Network – dedicated individuals who help us build a welcoming, forward-thinking, and inspiring community.

With 11 active Committees, the IPFA team works closely with each one to design a dynamic programme of insightful events, collaborative experiences, and professional development opportunities. Whether you're looking to expand your network, share ideas, or develop new skills, there's a place for you to contribute and grow.
