Future Leaders Committees

Our Committees are the driving force behind the Future Leaders Network – dedicated individuals who help us build a welcoming, forward-thinking, and inspiring community.

With 11 active Committees, the IPFA team works closely with each one to design a dynamic programme of insightful events, collaborative experiences, and professional development opportunities. Whether you're looking to expand your network, share ideas, or develop new skills, there's a place for you to contribute and grow.

Interested in joining a Committee?

Our Future Leader Committees are growing, and we're always looking for new voices to join us.

If you're motivated to make an impact, connect with peers, and contribute to the future of infrastructure and energy, get in touch!

Rachel Allen
Head of Operations, IPFA
