Why choose us?

Your trusted partner

IPFA has a 25+ year heritage, and 10+ years' experience in delivering CPD accredited training globally.

Breadth of subject matter expertise

As the only global cross-sector infrastructure network, our community houses the most senior experts who we collaborate with to offer a range of courses that are relevant and designed to cater to specific regions / geographic markets.

Interactive learning experience

Our engaging training approach incorporates real-world projects to illustrate key concepts, creating a dynamic learning environment that fosters discussions, peer collaboration, and hands-on activities.

Flexible learning

Available to both members and non-members worldwide; scheduled courses are offered in-person at selected locations, or online as live web-classes. Customised In-house packages can be delivered either virtually or in-person at your chosen location.

Cost-effective solutions

Our non-profit status enables us to offer high value learning at a lower cost. We also offer member rates and multiple delegate discounts.
